**Objective: -**

To secure a cooperative education in the field of Information Science Engineering and to apply the acquired knowledge in the field of software development that will challenge and strengthen my education and personal skills.

**Summary: -**

- An energetic, unique thinker and eager to learn new technology student currently pursuing Bachelors of Engineering in Information Science
- Expert in adopting new technology and eager to know new technology.

**Education:-**

Current:

Bachelors of Engineering  
Information Science, 2018  
Rajarajeswari College of Engineering, Bangalore-72

Previous:

Science + Computers  
XII (HSC), 2014  
MHAC School, Jammu

Science  
X (SSC), 2012  
MHAC School, Jammu

**Personal Qualities: -**

- Remarkable patience and strong motivational skills.
- Excellent communication skills in written and verbal both.
- Ability to handle the pressure situation.
- Able to work in group as well as individual.

**Extra Curricular: -**

- Student Coordinator of Slow Learner Committee
- Represented College basketball team for 3 consecutive years as the Captain.
- Student Organizer for National Level Fest : ANOKHA-2K17
- Designed Departmental Fest Website: ANOKHA-2K17.

**Projects: -**

- **Android Application Development :**

Created an Application: Unires, to get University Results for Visvesvaraya Technical University(VTU). Link: <https://goo.gl/xT5wtd>

- **GUI Application:**

Created an GUI application, VocabularyFlash based on dictionary data mined from Merriam-Webster website. It is a timer based vocabulary tester coded in python 3.X. Languages and Libraries Used: Python3.x, Tkinter, BeautifulSoup.

**Publications: -**

- Published a Review Paper titled '**Big Data Technologies for Batch and Real-Time Data Processing: A Review**' in International Journal of Engineering Science and Computing (IJESC), Volume 7, Issue No. 10, October 2017.

**Certification: -**

- R Programming Certification: Coursera(April 2017 – May 2017)
- The Data Scientist's Toolbox Certification: Coursera (March 2017 – April 2017)
- Introduction to R Course Certification: DataCamp (April 2017 – May 2017)
- Intro to Python for Data Science Course Certification: edX (Nov 2016 – Dec 2016)

**Achievements:-**

- All India Rank (AIR) : 310 in Indian Engineering Olympiad 2017
- Stood 1st in National Level Technical Computer Science Symposium in TECHNICAL QUIZ Event.
- Stood 2nd in National Level Technical Electronics and Communication Symposium in Coding & Debugging Event.
- Served 2 years in NCC (National Cadet Corpse) and passed Certificate A exam(2012).

**Technical Skills: -**

- Programming Languages: Java, Python, R, C++, C
- Databases: Oracle DB, SQL
- Designing: Illustration, Logo Design - Adobe Illustrator, Photoshop
- Android Development
- Frameworks: Familiar with Apache Hadoop, MapReduce, Spark and Storm.
- Web Development: Basic knowledge of HTML, CSS, JavaScript
